BIKE REPAIR & CHARGE

Our goal

By supporting our cyclists, we can make their bike rides more fun and safe

An aerial photograph of a dense forest, likely a coniferous forest, with a road running horizontally through the center. The trees are in various shades of green, with some dead, grey trees visible on the left side. The word "Products" is overlaid in white, bold, sans-serif font across the road.

Aarschot, fietsstad. Niks fijner dan fietsen in de lentezon. Niks ambetanter dan platte band of fietsmiserie onderweg... Dankzij 3 fietsherstelzulen van de Stad Aarschot kan je onderweg je fiets opnieuw herstellen. Waar vind je deze fietsherstelplaatsen?

- 👉 In Aarschot, aan het stedelijke sportcentrum in de Demervallei
- 👉 In Langdorp, aan de Demertrefplaats, ter hoogte van de voetgangersbrug

HERSTEL JE FIETS AAN ONZE NIEUWE FIETSSHERSTELZULLEN

Gepubliceerd op maandag 9 mei 2022

De stad Aarschot draagt graag haar steentje bij om de talrijke fietsers uit haar omgeving altijd beter te kunnen ondersteunen.

Daarom installeerden we 3 fietsherstelzulen:

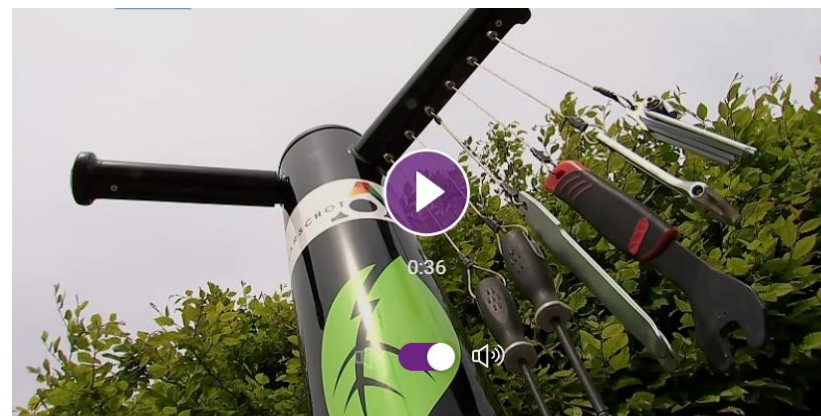

- In Aarschot, aan het stedelijke sportcentrum in de Demervallei
- In Langdorp, aan de Demertrefplaats, ter hoogte van de voetgangersbrug
- In Gelrode, op de kruising van de Hondsheuvel met de Waterloosstraat

De zulen hebben niet alleen een knap design, maar zijn ook gebruiksvriendelijk én duurzaam. Ze zijn voorzien van het nodig gereedschap om technische problemen aan je fiets snel op te lossen.

De zulen zijn uitgerust met het volgende basisgereedschap:

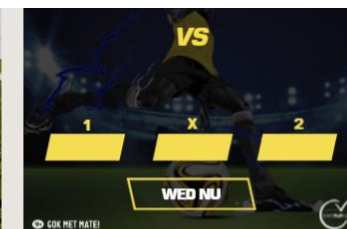

Voetpomp | Platte schroevendraaier | Kruis schroevendraaier | Bandenlichters | 15mm pedaalsleutel | 0-20mm universele sleutel | Multitool met 2,5-3-4-5-6-8 mm inbus en Torx 25 | Eén fietsarm.

Meer info over deze fietsherstelzulen vind je op www.chlorofilla-bike.be.
